FW: Variance request for sanitary sewer for new dental office

Jon Doyle <jdoyle@cedarcreekinc.com>
To: "citymanager@cityofblanchard.us" <citymanager@cityofblanchard.us"

Fri, Sep 8, 2023 at 10:17 AM

Good morning Robert,

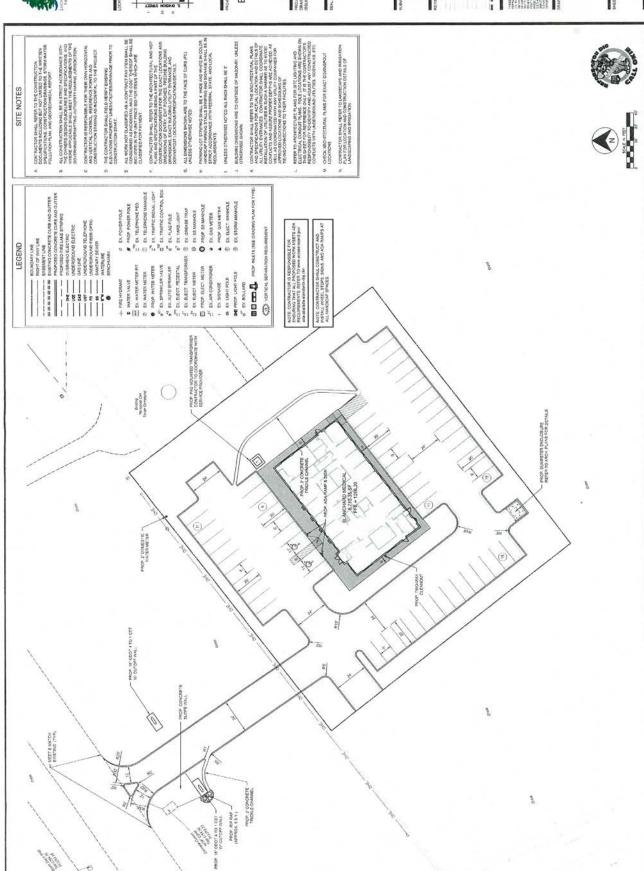

Our site is within 300 feet of an existing sanitary sewer that is in the Fox Run Addition. We are downhill of the addition and getting our sewer to the main would require a lift station. We would like to request a variance of this requirement so that we can pursue using a private aerobic or septic system in lieu of a lift station. Let me know if you need any more information for this request. I understand this will be heard at the September 26th meeting at 6:00 PM. If that is incorrect, please advise. Thank you very much.
