# Shelter Registration

The Blanchard Emergency Management would like to take this opportunity to remind everyone that severe storm season is fast approaching. We want to express how important it is for everyone to register their home's storm shelters and safe rooms. The City of Blanchard storm shelter registry provides emergency services with information that allows them to locate citizens after a tornado or other natural disaster. Registration helps ensure that people in shelters affected by the storm are able to get help quickly with the potential of shelters' exits being blocked due to debris or structural damage. Registration is doubly important with the possibility of shelters flooding due to broken water lines or simply rain waters entering the shelter and drowning people trapped inside. Registration forms include your address, list of persons who would normally be present at the home and could potentially be in the shelter, the location of the shelter/safe room on the property, and contact information for yourself and an emergency contact. If you have previously registered and some part of your information has changed, feel free to submit an updated form. If you have a question as to if your shelter is registered please contact the Emergency Management Director/Fire Chief Charlie Largent at the Blanchard Fire Department at 405.485.3939.

Registration forms available at Blanchard City Hall. Please return all registrations to the Blanchard City Hall, 122 North Main Street, Blanchard, OK 73010.

## 2020 CENSUS - BE COUNTED!

The 2020 Census is fast approaching. Your participation in the census, and a full and accurate count, is very important to our local community.

First, the census is the basis for equal political representation under the Constitution.

Second, State and Federal tax dollars are allotted based on the number of people counted in the census. BE COUNTED! It's easy! It's safe! It's important! For the first time ever, the Census Bureau will accept responses on-line, but you can still respond by phone or mail.

You may be contacted by phone or in person, please remember that anyone with the Census will NOT ask for your social security number, banking information, money donations, or political parties. If anyone contacts you claiming to be with the Census and asks for any of this information, it is scam! You need to contact the police

department immediately. DO NOT give out your personal/financial information.

## Winter Water Conservation

There are ways to cut back on water usage when cold weather effects your home and on your pipes.

- ✓ Winterize your pipes — both inside and outside.
- ✓ Drip any vulnerable faucets to prevent frozen and burst pipes. Place a bucket under the drip to use for your house plants and cleaning.
- ✓ Check for and fix any leaks inside your home.
