residents. In October all persons boarding commercial planes or entering federal facilities, including military bases, will be required to present a REAL ID compliant card. If you already hold a passport or military ID then your identification will meet these standards. State residents are not required to obtain an Oklahoma REAL ID. However, if you plan to fly, even on domestic airlines, federal law requires that you must possess a REAL ID compliant license. The state has provided a resource for educating residents on the implementation of REAL IDs. You may access this resource on the following website <https://www.realid.ok.gov>. If you have questions regarding your need to obtain a REAL ID or if you are wondering how to obtain a REAL ID, please visit the state's REAL ID website.
