## *National Airborne Day*

**August 16<sup>th</sup>** is a day designated by the United States Congress to honor the nation's airborne units of the armed forces. It was created in 2001 by President George W. Bush. August 16, 1940 marked the first official Army parachute jump, validating the innovative concept of inserting United States ground combat forces behind a battle line by parachute. During World War II, airborne tactics were critical to the success of important missions, including the D-Day invasion at Normandy, the Battle of the Bulge, the invasion of Southern France, and many others. In Korea and Vietnam, airborne soldiers played a critical combat role, as well as in later conflicts and peacekeeping operations, including Panama, Grenada, Desert Storm, Haiti, Somalia, and the Balkans. Most recently, airborne forces were

vital to liberating the people of Afghanistan from the repressive and violent Taliban regime; and these soldiers continue to serve proudly around the world in the global coalition against terrorism.

The elite airborne ranks include prestigious groups such as the 82nd Airborne Division, "America's Guard of Honor," and the "Screaming Eagles" of the 101st Airborne Division (Air Assault). Paratroopers in the Army's XVIII Airborne Corps, the 75th Infantry (Ranger) Regiment and other Special Forces units conduct swift and effective operations in defense of peace and freedom.

Airborne combat continues to be driven by the bravery and daring spirit of sky soldiers. Often called into action with little notice, these forces have earned an enduring reputation for dedication, excellence, and honor. All citizens are encouraged to recognize the contributions of these courageous soldiers to our Nation and the world.

## *Shop Local!*

Here's what happens when you "shop local."

1. More of your money will be kept in the Blanchard local economy: For every \$100 you spend at locally owned businesses, \$68 will stay in Blanchard. What happens when you spend that same \$100 at a national chain? Only \$43 stays in the community.\*

2. You embrace what makes Blanchard unique: You wouldn't want your house to look like everyone else's in the U.S. So why would you want your community to look that way?

3. You create local jobs: Local businesses are better at creating higher-paying jobs for your neighbors. When you shop locally, you

help create jobs for teachers, firemen, police officers, and many other essential professions.

4. You help the environment: Buying from a locally owned business conserves energy and resources in the form of less fuel for transportation and less packaging.

5. You nurture community: Local business owners know you, and you know them. Studies have shown that local businesses donate to community causes at more than twice the rate of chains.

6. You conserve your tax dollars: Shopping in a local business district means less infrastructure, less maintenance, and more money available to beautify the community. Also, spending locally instead of online ensures that your sales taxes are reinvested where they belong — in Blanchard!

7. You create more choice: Locally owned businesses pick the items and products they sell based on what they know you like and want. Local businesses carry a wider array of unique products because they buy for their own individual markets.

8. You take advantage of their expertise: You are their friends and neighbors, and locally owned businesses have a vested interest in knowing how to serve you. They're passionate about what they do. Why not take advantage of it?

9. You invested in entrepreneurship: Creativity and entrepreneurship are what the American economy is founded upon. Nurturing local business ensures a strong community.

10. You made Blanchard a destination: The more interesting and unique Blanchard

community, the more we will attract new neighbors, visitors and guests. This benefits everyone! \*Source: Civic Economics - Andersonville Study of Retail Economics. *SO ... Think, Shop, Live Blanchard!* Please keep in mind that Blanchard's quality of life and local economy relies on where residents spend their money and do their shopping. Sales tax is a direct and vital lifeline to essential services like public safety (Police, Fire, 911 services), public facilities, projects, programs and services. Shopping locally keeps businesses here in Blanchard, providing jobs and benefiting community schools and non-profits. If there's one thing we can all do to make our dollars work for this community, it's to shop local! Grab dinner in Blanchard on your way home. You'd be surprised what a difference that can make. Shopping locally benefits the entire community. Make your tax dollars work for you and our community.

## Watering Odd-Even

Oklahoma City's odd-even watering rotations permanent and has been in place since 2013. It eases the summer-time demand on their water treatment system.

These restrictions apply to Blanchard residents since we receive one-hundred (100) percent of our water from OKC. Addresses ending in a 0, 2, 4, 6 or 8, can water on any day that ends in an even number. Addresses ending in a 1, 3, 5, 7 or 9 can water on any day ending in an odd number. Most Oklahoma lawns don't need more than one (1) inch of water per week in the summer to maintain optimum health. Use a rain gauge to determine how much water your lawn is getting.
