5. You nurture community: Local business owners know you, and you know them. Studies have shown that local businesses donate to community causes at more than twice the rate of chains.

6. You conserve your tax dollars: Shopping in a local business district means less infrastructure, less maintenance, and more money available to beautify the community. Also, spending locally instead of online ensures that your sales taxes are reinvested where they belong - in Blanchard.

7. You create more choice: Locally owned businesses pick the items and products they sell based on what they know you like and want. Local businesses carry a wider array of unique products because they buy for their own individual markets.

Winter Solstice

The winter solstice is one of the two times each year that the Sun is at its farthest point from the equator and appears to stand still. It occurs on **Wednesday, December 21st** at **3:48 p.m. CST**.

The word *solstice* is derived from the Latin *sol*, or "Sun," and *stitium*, or "stoppage." The Halcyon Days also occur around

this time. According to ancient legend, a grieving wife named Alcyone, or Halcyon, threw herself into the sea upon discovering the drowned body of her beloved husband, Ceyx. The gods took pity on the pair, transforming them into kingfishers with the power to still the stormy seas for 14 days around the time of the winter solstice while they built their nest and hatched their young.
