## Easter Sunday

---

Many Christians celebrate Easter Sunday as the day of Jesus Christ's resurrection, which is written in the New Testament of the Christian Bible. According to the Gospel of John in the New Testament, Mary Magdalene came to the tomb where Jesus was buried and found it empty. An angel told her that Jesus had risen. Christians worldwide have celebrated Easter for centuries.

However, the roots of the Easter holiday's traditions and activities can be traced back to pagan celebrations. The name Easter is believed to come from *Eostara*, the goddess of rebirth. In early times the Feast of Eostara celebrated earth's resurrection and rebirth. Strict Puritans would have nothing to do with Easter – it was merely a human institution – in the past. Charles I, king of England, declared the day as scriptural as Sunday in 1647 but Parliament contradicted him in print and abolished it with other church festivals.

The Easter date depends on the ecclesiastical approximation of the March equinox. In 325CE the Council of Nicaea decided that the Easter date would be the first Sunday after the first full moon occurring on or after the March equinox. Easter is therefore delayed one week if the full

more money available to beautify the community. Also, spending locally instead of online ensures that your sales taxes are reinvested where they belong - in Blanchard.

7. Locally owned businesses pick the items and products they sell based on what they know you like and want. Local businesses carry a wider array of unique products because they buy for their own individual markets.

8. You are their friends and neighbors, and locally owned businesses have a vested interest in knowing how to serve you. They're passionate about what they do. Why not take advantage of it?

9. Creativity and entrepreneurship are what the American economy is founded upon. Nurturing local business ensures a strong community.

10. The more interesting and unique Blanchard community, the more we will attract new neighbors, visitors and guests. This

moon is on Sunday, which lessens the likelihood of it falling on the same day as the Jewish Passover. Eastern Orthodox churches in many countries such as Greece still figure their Easter date based on the Julian calendar.

Easter eggs and the Easter Bunny are both fertility symbols, holdovers from the feast of Eostara. Other symbolic parallels include the pagan joy in the rising sun of spring, which coincides with Christians' joy in the rising Son of God, and the lighting of candles in churches, which corresponds to the pagan bonfires. The symbol of the cross and images of Jesus Christ, through paintings or statues, are remembered on Easter Day. Easter is **Sunday, April 9<sup>th</sup>.**

# Purple Up! Day

---

Help Celebrate Military Kids on Purple Up! Day. April marks the nation's "Month of the Military Child," a time to honor our community youth impacted by deployment. It is no secret that our military children face many challenges before, during and after deployment of their loved ones. Parental separation, increased responsibilities at home, and frequent moves, are just a few areas that military kids must navigate like a complicated obstacle course. However, if given enough support to get through these tough times, our military children can come through with

great resilience and confidence, ever ready to face other life changing events. These kids are an inspiration and a source of pride, and it is fitting that we celebrate their spirits and commitments to our country.

In celebration, you're invited to join in showing your support by being part of "Purple Up! For Military Kids" Day. Everyone is encouraged to wear something purple on *Saturday, April 15, 2023*. This will be a visible way to show support and thank military children for their strength and sacrifices. (Did you know: Purple is the color that symbolizes all branches of the military, as it is the combination of Army green, Coast Guard blue, Air Force blue, Marine red and Navy blue.) The hope is everyone will take this opportunity to appreciate and celebrate these young heroes. Be creative ... the goal is for military youth to witness a sea of "purple" on that day in order to visually witness the support of their community!

# *Shelter Registration*

---

Blanchard Emergency Management would like to take this opportunity to remind everyone that severe storm season is fast approaching. We want to express how important it is for everyone to register their home's storm shelters and safe rooms. The City of Blanchard storm shelter registry provides emergency services with information that allows them to locate citizens after a tornado or other natural disaster. Registration helps ensure that people in shelters affected by the storm are able to get help quickly with the potential of shelters' exits being blocked due to debris or structural damage. Registration is doubly important with the possibility of shelters flooding due to broken water lines or simply rain waters entering the shelter and drowning people trapped inside. Registration forms include your address, list of persons who would normally be present at the home and could potentially be in the shelter, the location of the shelter/safe room on the property, and contact information for yourself and an emergency contact. If you have previously registered and some part of your information has changed, feel free to submit an updated form. If you have a question as to if your shelter is registered please contact the Emergency Management Director/Fire Chief Charlie Largent at the Blanchard Fire Department at 405.485.3939.

Registration forms available at Blanchard City Hall and online [www.cityofblanchard.us/document\\_center/storm\\_shelter\\_registration.pdf](http://www.cityofblanchard.us/document_center/storm_shelter_registration.pdf). Please return all registrations to the Blanchard City Hall, 122 North Main Street, Blanchard, OK 73010.
