## Daylite Saving Time Ends

FALL BACK SUNDAY, November 5<sup>th</sup>, when Daylight Saving Time ends at 2 a.m. Clocks will "fall back" one-hour.

Credit for Daylite Saving Time belongs to Benjamin Franklin, who first

suggested the idea in 1784. The idea was revised in 1907, when William Willett, an Englishman, proposed a similar system in the pamphlet 'The Waste of Daylight'.

# After Hours

For Public Works after-hour incidents:

- \*water leaks
- \*waterline breaks
- \*sewer backups
- \*sewer line breaks
- \*lift station alarms
- \*manholes overflowing
- \*low-water pressure
- \*no water
- \*potholes
- \*road repairs
- \*signs missing
- \*signs down
- \*roadway flooding
- \*debris in road
- \*street lite out

Please call  
405.485.9391.

The Blanchard Emergency Communications Center is 24-7 and will contact the on-call personnel regarding the incident.

The Germans were the first to officially adopt the light extending system in 1915 as a fuel-saving measure during World War 1. The British switched one year later, and the United States followed in 1918, when Congress passed the Standard Time Act, which established our time zones. This experiment lasted only until 1920, when the law was repealed due to opposition from dairy farmers [cows don't pay attention to clocks]. During World War II, Daylight Saving Time was imposed once again [this time year around] to save fuel.

**SO REMEMBER!** When you change the clocks, change your batteries in your smoke and CO<sup>2</sup> detectors.

## House Numbering

In an emergency, first responders (fire, police and ambulance) and utility service technicians depend on clearly marked addresses to find the right home as quickly as possible. Finding a residence can be challenging if street addresses (house numbers) are unreadable, hidden, unlit or missing. You can help emergency responders and service technicians locate your home by following these tips:

- Replace aging or faded numbers;
- Clear all obstructions (hanging plants, bushes, flags, etc.) from blocking your house number;
- Post large numbers to allow visibility from the street;
- Place your numbers near the street or on the curb, with a reflective coating and contrasting background;
- Allow numbers to be seen from all directions (if your home is on a corner, have numbers posted on all sides).

The BMC §4-402 requires all building and houses to be numbered.

# Shop Local

Here's what happens when you "shop local."

1. For every \$100 you spend at locally owned businesses, \$68 stays in Blanchard. What happens when you spend that same \$100 at a national chain? Only \$43 stays in the community\*.

2. You wouldn't want your house to look like everyone else's in the U.S. So why would you want your community to look that way?

3. Local businesses are better at creating higher-paying jobs for your neighbors. When you shop locally, you help create jobs for firemen, police officers, and many other essential professions.

4. Buying from a locally owned business conserves energy and resources in the form of less fuel for transportation and less packaging.

5. Local business owners know you, and you know them. Studies have shown that local businesses donate to community causes at more than twice the rate of chains.

6. Shopping in a local business district means less infrastructure, less maintenance, and more money available to beautify the community. Also, spending locally instead of online ensures that your sales taxes are reinvested where they belong - in Blanchard.

7. Locally owned

The even numbers (2,4,6, etc.) shall be on the east side of the streets extending north and south, and on the south side of the streets extending east and west; the odd numbers (1,3,5, etc.) shall be on the opposite side of streets.

- Free Candy &

businesses pick the items and products they sell based on what they know you like and want. Local businesses carry a wider array of unique products because they buy for their own individual markets.

8. You are their friends and neighbors, and locally owned businesses have a vested interest in knowing how to serve you. They're passionate about what they do. Why not take advantage of it?

9. Creativity and entrepreneurship are what the American economy is founded upon. Nurturing local business ensures a strong community.

10. The more interesting and unique Blanchard community, the more we will attract new neighbors, visitors and guests. This **BENEFITS EVERYONE!**

## *So...Think Shop Live Blanchard*

Please keep in mind that Blanchard's quality of life and the local economy relies on where residents spend their money and do their shopping. Sales tax is a direct and vital lifeline to essential services like public safety (police, fire, 911 services), public facilities, projects, programs and services. Shopping locally keeps businesses here in Blanchard, providing jobs and benefiting community schools and non-profits.

If there's one thing we can all do to make our dollars work for this community, it's to shop local! Grab dinner in Blanchard on your way home. You'd be surprised what a difference that can make. Shopping locally benefits the entire community. Make your tax dollars work for you and our community.
