1564, the date was observed as New Year's Day by cultures as varied as the Romans and the Hindus. The holiday is considered to be related to the festival of the Vernal Equinox, which occurs on March 20<sup>th</sup>. The English gave April Fool's Day its first widespread celebration during the 18<sup>th</sup> century.

## Easter

Many Christians celebrate Easter Sunday as the day of Jesus Christ's resurrection, which is written in the New Testament of the Christian bible.

According to the Gospel of John in the New Testament, Mary Magdalene came to the tomb where Jesus was buried and found it empty. An angel told her that Jesus had risen. Christians worldwide have celebrated Easter for centuries.

However, the roots of the Easter holiday's traditions and activities can be traced back to pagan celebrations. The name Easter is believed to come from *Eostara*, the goddess of rebirth. In early times the Feast of Eostara celebrated earth's resurrection and rebirth. Strict Puritans would have nothing to do with Easter - it was merely a human institution - in the past. Charles I, king of England, declared the day as scriptural as Sunday in 1647 but Parliament contradicted him in print and abolished it with other church festivals.

The Easter date depends on the ecclesiastical approximation of the March equinox. In 325CE the Council of Nicaea decided that the Easter date would be the first Sunday after the first full moon occurring on or after the March equinox. Easter is therefore delayed one week if the full moon is on Sunday, which lessens the likelihood of it falling on the same day as the Jewish Passover. Eastern Orthodox churches in many countries such as Greece still figure their Easter date based on the Julian calendar.

Easter eggs and the Easter Bunny are both fertility symbols, holdovers from the feast of Eostara. Other symbolic parallels include the pagan joy in the rising sun of spring, which

## House Numbering

In an emergency, first responders (fire, police and ambulance) and utility service technicians depend on clearly marked addresses to find the right home as quickly as possible. Finding a residence can be challenging if street addresses (house numbers) are unreadable, hidden, unlit or missing. You can help emergency responders and service technicians locate your home by following these tips:

- Replace aging or faded numbers;
- Clear all obstructions (hanging plants, bushes, flags, etc.) from blocking your house number;
- Post large numbers to allow visibility from the street;
- Place your numbers near the street or on the curb, with a reflective coating and contrasting background;
- Allow numbers to be seen from all directions (if your home is on a corner, have numbers posted on all sides).

The BMC §4-402 requires all building and houses to be numbered. The even numbers (2,4,6, etc.) shall be on the east side of the streets extending north and south, and on the south side of the streets extending east and west; the odd

# Shop Local

Here's what happens when you "shop local."

1. For every \$100 you spend at locally owned businesses, \$68 stays in Blanchard. What happens when you spend that same \$100 at a national chain? Only \$43 stays in the community\*.

2. You wouldn't want your house to look like everyone else's in the U.S. So why would you want your community to look that way?

3. Local businesses are better at creating higher-paying jobs for your neighbors. When you shop locally, you help create jobs for firemen, police officers, and many other essential professions.

4. Buying from a locally owned business conserves energy and resources in the form of less fuel for transportation and less packaging.

5. Local business owners know you, and you know them. Studies have shown that local businesses donate to community causes at more than twice the rate of chains.

6. Shopping in a local business district means less infrastructure, less maintenance, and more money available to beautify the community. Also, spending locally instead of online ensures that your sales taxes are reinvested where they belong - in Blanchard.

7. Locally owned

numbers (1,3,5, etc.) shall be on the opposite side of streets.

businesses pick the items and products they sell based on what they know you like and want. Local businesses carry a wider array of unique products because they buy for their own individual markets.

## Purple Up! Day

**PURPLE UP!**  
for military kids

Help Celebrate Military Kids on Purple Up! Day. April marks the nation's "Month of the Military Child," a time to honor our community youth impacted by deployment. It is no secret that our military children face many challenges before, during and after deployment of

their loved ones. Parental separation, increased responsibilities at home, and frequent moves, are just a few areas that military kids must navigate like a complicated obstacle course. However, if given enough support to get through these tough times, our military children can come through with great resilience and confidence, ever ready to face other life changing events. These kids are an inspiration and a source of pride, and it is fitting that we celebrate their spirits and commitments to our country.

In celebration, you're invited to join in showing your support by being part of "Purple Up! For Military Kids" Day. Everyone is encouraged to wear something purple on **Monday, April 15, 2024**. This will be a visible way to show support and thank military children for their strength and sacrifices. (Did you know: Purple is the color that symbolizes all branches of the military, as it is the combination of Army green, Coast Guard blue, Air Force blue, Marine red and Navy blue.)

The hope is everyone will take this opportunity to appreciate

and celebrate these young heroes. Be creative ... the goal is for military youth to witness a sea of "purple" on that day in order to visually witness the support of their community!

## *U.S. Submarine Force Day*

The submarine force was established on April 11, 1900, when the United States Navy bought the submersible Holland VI from John Holland.

Since that historic day, submarines have been used with fortitude and creativity to sustain their superiority beneath the sea, and have become an indispensable asset that patrols and protects worldwide today.

Submarines and their underwater warfighting companions have commanded and operated by courageous men and women who have gone above and beyond the call of duty in service of their country.

Oklahoma has recognized the significance of the US Submarine Force and their crew for their defense of our most cherished freedoms.

On **Thursday, April 11, 2024**, has been proclaimed as the United States Submarine Force Day in Oklahoma.
